CENTER FOR ADVANCED STUDIES IN APPLIED SCIENCES (CASAS)

COMMON ENTRANCE TEST (CET) – 2024

General Instructions:

- Online Common Entrance Test (CET) Forms will be available on link <https://forms.epravesh.com/NewArtsCollege/> from Wednesday, 22/05/2024.
- Online Common Entrance Test (CET) will be conducted for following mentioned three Academic Degree Programmes:

Academic Degree Programmes under CASAS

B.Sc.(Data Science)

B.Sc.(Cloud Computing)

B.Sc.(Computer Science)

(Here in after above three Academic Degree Programmes will be mentioned as **Academic Programmes**)

- The dates to fill **Online Common Entrance Test Forms** along with entrance fee **Rs.500/-** (online payment only) are from **22-05-2024 to 20-06-2024**.

Intake Capacity for Degree Programmes :

Sr.No.	Degree Programmes	On Merit Basis	Management Quota	Total
1.	B.Sc. (Data Science)	72	08	80
2.	B.Sc. (Cloud Computing)	72	08	80
3.	B.Sc. (Computer Science)	144	16	160

- **Instructions to fill Online Common Entrance Test Form:**
 1. For all the academic programmes of CASAS **only one Online** Common Entrance Test form is to be filled.
 2. Student has to fill all fields in the form.
 3. Fees for online Common Entrance Test is Rs.500/- (Five Hundred only)payable in online payment mode only.
 4. Duly filled Application forms with Entrance Fees Paid are considered for admission process.
 5. Incomplete forms or unpaid fees forms will be rejected.
 6. Student has to select the preference for the above listed programmes.
 7. Student with Mathematics at HSC can opt for all **three** academic programmes.
 8. Student without Mathematics at HSC can opt for **one** academic programmes (B.Sc. Cloud Computing).
- The admission to Academic Programmes for the year 2024-25 will be given strictly on the basis of the merit (on the basis of the 50% of marks of Entrance Test - 2024 and 50% marks secured in H.S.C Exam) and rules of reservation.
- Admissions will be confirmed / finalized on the basis of the performance, preference given by candidates, category wise available seats as per the reservation norms. (If two or more candidates have equal score in the merit list, then the marks scored in the HSC exam will be considered for finalizing the admission.)

Important Dates:

Activity	Important Dates
Submission of Online Common Entrance Test application form.	22-05-2024 to 20-06-2024
Demo of Online Common Entrance Test.	21-06-2024 , Friday (1 pm to 8 pm)
Final date of Online Common Entrance Test.	22-06-2024, Saturday.

- **Note:** Further instructions for Online Common Entrance Test will be communicated through college official website : www.newartcollege.ac.in.
- **Regularly check the Website and your registered mail id for further Notifications.**
- It is necessary for every applicant to appear for Demo of Online Common Entrance Test to understand the process.

Counselling Round Timetable

Sr.No.	Details	Counselling Round	
		Reservation	Open
1.	Reporting Date	25-06-2024	26-06-2024
2.	Registration Time	8.30 a.m. -10 a.m.	8.30 a.m. -10 a.m
3.	Counselling Round	10.30 a.m. onwards	10.30 a.m. onwards
4.	Reporting Venue	Rajarshi Shahu Maharaj Auditorium	Rajarshi Shahu Maharaj Auditorium

CENTER FOR ADVANCED STUDIES IN APPLIED SCIENCES (CASAS)

COMMON ENTRANCE TEST (CET) – 2024

CET Pattern	
Total number of questions	100
Total marks	100
Duration	60 min
Number of attempt per student	01

Note:

- **The CET link will be active from 10 a.m to 1 p.m on 22-06-2024, Saturday.**
- Applicants can attempt the test within the given time slot.
- The exam time (60 min) will be considered from the time the student starts solving questions.
- No negative marking.
- **For Practice of CET Exam, Demo link will be scheduled for students on 21-06- 2024, Friday between 1:00pm to 7:30pm. Students are advised to practice for exam using demo link on the same date.**

Syllabus for CET	
Students with Mathematics at 12th	Section 1: Numerical Ability / Quantitative Aptitude Section-2: Logical Reasoning Section-3: General Mental Ability Section 4: Mathematical Aptitude
Students <u>without</u> Mathematics at 12th	Section 1: Numerical Ability / Quantitative Aptitude Section-2: Logical Reasoning Section-3: General Mental Ability

Section wise Detailed Syllabus

Section-1: Numerical Ability / Quantitative Aptitude

1. Averages
2. Interest
3. Heights and Distances
4. Profit and Loss
5. Discount
6. Time and distance Series
7. Time & Work
8. Calendar
9. Clocks
10. Height & Distances
11. Odd Man Out & Series
12. Bar Graphs
13. Pie Charts
14. Line Graphs
15. Numbers
16. Fractions problems
17. Numbers and Ages
18. Percentage problems
19. Ratio & Proportion
20. Mixture and Allegation

Section-2: Logical Reasoning

1. Logic
2. Statement-argument
3. Statement-assumption
4. Statement conclusion
5. Drawing conclusions from passages
6. Theme detection
7. Question-statement
8. Miscellaneous Logical Puzzles

Section-3: General Mental Ability

1. Analogy
2. Classification
3. Series Completion
4. Coding – decoding
5. Blood relation
6. Puzzle test

7. Sequential output tracing
8. Direction sense test
9. Logical Venn Diagrams
10. Alphabet test
11. Number, Ranking, and Time Sequence test
12. Mathematical Operation
13. Logical sequence and Word
14. Arithmetical Reasoning
15. Inserting and Missing Character
16. Data Sufficiency
17. Decision Making
18. Assertion and Reason
19. Situation Reaction test
20. Verification of truth of the statement

Section IV: Mathematical Aptitude

1. Mathematical Logic
2. Matrices
3. Trigonometric functions
4. Pair of straight lines
5. Circle
6. Conics
7. Vectors
8. Three-dimensional geometry
9. Line
10. Plane
11. Linear programming problems
12. Continuity
13. Differentiation
14. Applications of derivative
15. Integration
16. Applications of definite integral
17. Statistics: Probability distribution
